

## HP 200

### Specifications

<b>Frequency</b>	50 Hz
<b>Noise Level</b>	46 dB(A)/1m
<b>Max. Pressure</b>	530 mbar
<b>LxWxH</b>	256x200x222 mm
<b>Voltage</b>	230 V
<b>Power Consumption</b>	210 W
<b>Weight</b>	9 kg
<b>Protection Class</b>	IP44
<b>Duty Cycle</b>	S1 - 100% ? 300 mbar
<b>Air Flow @ 0 Mbar</b>	300 (L/min)
<b>Air Flow @ 250 Mbar</b>	170 (L/min)
<b>Air Flow @ 500 Mbar</b>	10 (L/min)

### Description

The HIBLOW oil-free linear diaphragm pumps are manufactured by Techno Takatsuki from Japan. The company was the first to introduce this technology and they are still very innovative and the market leader.

### Features

- Very quiet in operation
- Low power consumption
- No vibrations
- Low cost for service
